RE: Diakonos Computer Service

To Whom It May Concern:

We would like to highly recommend Diakonos Computer Service as an excellent source of computer knowledge and service in the business and home environment.

Prior to our association with Diakonos, our computer system was frustratingly slow with frequent interruptions that delayed transmission of time-sensitive information through our network. With the assistance of Caleb Brewer at Diakonos, our computer system was restored to peak performance and through their attentive maintenance schedule, all minor glitches are handled in a timely manner, usually the same day.

We would encourage anyone needing computer service to consider Diakonos.

Sincerely,

Grace Church
