To Whom It May Concern:

It is my pleasure to recommend the services of BrewerTek and Caleb Brewer. Caleb has been responsible for all of our IT needs. He is extremely knowledgeable and proficient in his profession. His manner of service is so refreshing in that he is willing to respond in as prompt a manner that is reasonable to expect. His knowledge base is extensive as he understands and is very qualified in both hardware and software services.

I feel that his personal integrity is also of the highest order. He is trustworthy and reliable and I recommend him without reservation.

You are welcome to contact me personally for any additional information.

Sincerely,

John T. Sandager  
President
